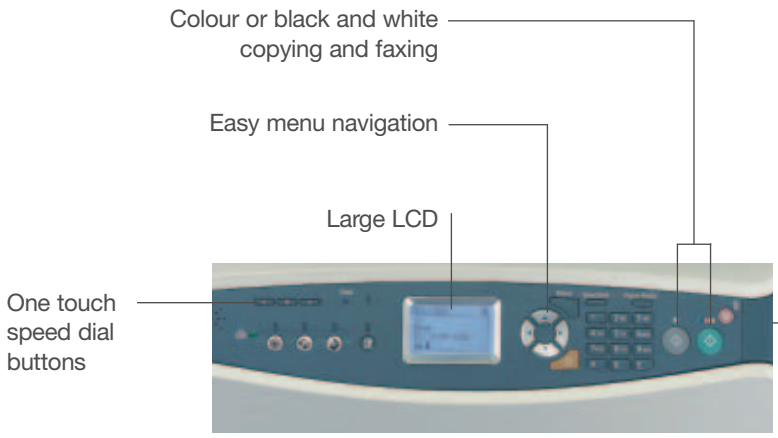
EPSON®

EXCEED YOUR VISION

Epson AcuLaser CX11N Series

Print, copy, scan and fax in colour

Our Epson AcuLaser CX11N series gives you fast, high quality colour copying, scanning, faxing* and colour laser printing. Four reliable functions in one affordable, space saving device.



The Epson AcuLaser CX11N is easy to use thanks to the intuitive control panel

Epson's most advanced and affordable A4 colour laser multi function printer
The Epson AcuLaser CX11N series offers small offices and workgroups a total office solution in a single device. The very best in colour printing, colour photocopying, scanning and faxing are all available in one compact machine. And all of this is delivered without compromising on quality.

Easily produce stunning documents in-house
With such an efficient and convenient device and with colourful document template software included, you can print all your business and marketing documents in-house. Thanks to Epson's excellent print quality, even the finest details in your images are reproduced - you can be sure they will have a strong impact.

*Epson AcuLaser CX11NF and Epson AcuLaser CX11NFC

Fast, high quality printing
With an impressive first page out time of 9 seconds in black and white, 17 seconds in colour, printing and copying speeds of 25ppm in black and white and 5ppm in colour, Epson's AcuLaser CX11N series is as fast as other more expensive laser printers and copiers.

Trouble-free scanning, copying, printing and faxing
The Epson AcuLaser CX11N series is easy to install, use and manage. The large back-lit LCD control panel provides current status, including toner consumption.

With a paper capacity of up to 680 sheets you won't need to keep refilling. Paper output is accessible from all sides, and for easy multi-page copying, faxing and scanning, you can use the built-in automatic document feeder*.

With the handy Push-Scan function you can scan directly to your PC. If you run out of toner, you can still scan and fax your documents.

Easy integration
The reliable Epson AcuLaser CX11N series will integrate seamlessly into your working environment. It is easy to share documents over the network thanks to the Epson Net 10/100 Base Tx Ethernet interface. For simple connection to your PC it is equipped with a Hi-Speed USB (2.0 compatible) interface.

Key features
- Scan, copy, fax* and print in black and white or colour with one affordable device
- All in one device with compact footprint
- Unmatched image quality with Epson Wrap Transfer technology
- High quality, reliable and economical results with Epson AcuBrite toner
- Fast printing and copying at 25 pages per minute black and white / 5 pages per minute colour
- First page out time of 9 seconds, first copy time of just 12 seconds!
- Paper capacity up to 680 sheets (with the optional paper cassette)
- Comprehensive standard connectivity with 10/100 Base Tx and Hi-Speed USB (2.0 compatible)
- Windows and MAC compatible
- Bundled with colour document template software included in the box

Automatic document feeder for up to 50 pages
High resolution flatbed scanner
Easily accessible paper output
Easy access to toners
Compact paper tray

Organise your workspace
Having one multi-functional device means as well as saving money, you save space - ideal for small offices and workgroups. Add the optional cabinet for extra storage and improved usability.

Epson AcuLaser CX11N Series
